FOREWORD

The Financial Management in the Government is covered in the Book of Financial Powers apart from the Jammu and Kashmir Financial Code. The Book of Financial Powers has regularly been updated by the Government of Jammu and Kashmir since its first edition. Amendments to Financial Powers vested with the officers at various tiers in Government has been undergoing numerous changes.

I am delighted to know that Mr. Sunil Gupta, Managing Director, Jay Kay Law Reporter Pvt. Ltd. has taken the initiative to bring out an updated issue of the Book of Financial Powers through Mr. Kanav Gupta, Advocate and Er. Suniya Gupta. This updated version of the book shall facilitate reference and shall be useful to Government Departments as well as general public across State.

I hope Shri Sunil Gupta shall continue with the endeavour to update Government Publications whenever needed.
