

## **PREFACE**

Jay Kay Law Reporter Pvt. Ltd. has been publishing a guide series of various Acts, Rules and Regulations in the Form of Codes or in other formats brought out by the Government of Jammu & Kashmir for their implementation by various field formations. Such publications also become basis to test ability of aspirants of government jobs at different levels. On persistent demand, publishers have come out with this maiden guide "A Guide on J&K Civil Service Regulations" as amended by S.O. 324 of 2020, dated 22nd October, 2020 which will be a useful tool not only for examinees but for the officials who deal with application of various aspects of Civil Services Regulations.

J&K Civil Services Regulations, General Financial Rules, 2017 & Financial Code form a part of syllabus of most of the departmental examinations in the J&K State especially for Accountancy, Revenue Department, State Civil Services, Engineering officers, Drawing and Disbursing Officers of Education Department and others as prescribed by the Government from time to time. The basic objective of the examination is to test the working knowledge for application of rules. In order to facilitate the examinees to understand various subject matters dealt with in J&K CSRs, a master guide, in a question and answer format is hereby released. All the questions and answers thereto are based on the latest orders issued by the Government as far as it has been possible. Question papers set in past have been taken into consideration and solved in

a manner to enable the examinees understand different topics step by step.

In the end we convey our thanks to Mr. Sunil Gupta, M.D., Jay Kay Law Reporter Pvt. Ltd. for publishing of "A Guide to J&K Civil Service Regulations" 2nd Edition, as amended by S.O. 324 of 2020, dated 22nd October, 2020. We extend our thanks to Sanjay Arora, Advocate, Er. Suniya Gupta [B.E. (IT)] and Er. Kashyap Gupta [B.E. (IT)] for their outstanding contribution to the successful bringing out of this guide.

The authors and publishers would be grateful to suggestions for improvements in forthcoming editions.
