

PREFACE TO THE IIND EDITION

WE feel immense pleasure to release this second edition of “LEGAL DICTIONARY [Urdu & English]” which was reproduced firstly in 2012 in memory of Late Lala Harbans Lal Bhagotra who after superannuation as District and Sessions Judge joined the Bar as a Senior Advocate practising exclusively in the High Court and had also been Member of the State Legislative Assembly. The First edition was edited by Justice O.P. Sharma [Retired] which was highly appreciated by the readers concerned.

This Dictionary has been revised by Sh. S.S. Lehar, Sr. Adv., High Court of J&K. This Dictionary has been produced with intention to easily understand the Urdu in context of English by the new generation and the persons already in the profession and departmental officers as well.

We feel honour while speaking about Mr. Kanav Gupta, Advocate, and Er. Suniya Gupta, B.E. (I.T.) who technically helped in its making and bringing to its logical end. Any error or omission, if found by readers shall be welcomed to improve the forthcoming editions.
