## FOREWORD

Strict adherence to the Rule of Law promotes **discipline, accountability and confidence**, which is possible only when one knows the Law.

Education Sector, being the backbone of the orderly society, has to be accurate and vision oriented. For transforming vision into reality, one has to have confidence which can be gained only if a person is well equipped with the relevant Law and Rules of procedure.

"JK's School Education Manual in Jammu And Kashmir", in effect is a collection of relevant Law and Rules. Its handy availability will make it easy to apply Law as required.

The author/compiler has made a fervent effort in compiling it, which is appreciable. It shall be of great use to all concerned.

My good wishes to the author/compiler namely Mr. D. S. Shauhan, Advocate and Kanav Gupta, Advocate and the publisher namely Mr. Sunil Gupta of "Jay Kay Law Reporter Pvt. Ltd".
